

PROFILE

I am 21 years old, and I have 6 years of experience working in my field of study, computer engineering.

I have extensive experience in creating protection systems to maintain the security of important information that is vulnerable to hacking.

I want to gain more experience and more skills that develop my abilities, which enables me to be creative in my work.

ANAS A A KHAMAYSA

Computer engineer

EDUCATION

Tafouh Secondary School for Boys

2017 - 2022

I studied the most important stages of education in this school and graduated with a grade of 94%. Throughout my studies, my only interest was to complete my life working on computers, and this is what helped me choose my university major.

Karabuk university

2022 - 2027

I have a Bachelor's degree in Computer Engineering, graduated from university with a GPA of 3.74, and participated in many events related to cybersecurity.
